

THE MAESTRO SOCIETY

A LEGACY GIVING PROGRAM

Purpose

Named for our esteemed leader, the Maestro Society is an opportunity to solidify the future of the ICO. Gifts will help guarantee vibrant cultural experiences, affordable concert experiences, and music education for the next generation of musicians and music lovers

Donor Benefits

Legacy giving goes beyond bequests; you can see your support in action during your lifetime. A planned gift can enable you to make a significant contribution to the orchestra that may, simultaneously, have income and tax benefits for you and your family.

How to Participate

If you are interested in establishing an enduring legacy at the ICO, talk with your family, your advisor, and Dana Stone at 317-940-9607.

**Looking for other smart
ways to manage your
charitable giving?**

-Do you have a Required Minimum Distribution (RMD)? RMDs are the minimum amounts you must withdraw from your retirement accounts each year. You generally must start taking withdrawals from your retirement plans when you reach age 73. You can send your distributions directly to the Indianapolis Chamber Orchestra as a donation without it counting towards your taxable income

-Consider a Donor Advised Fund (DAF). A donor-advised fund is a popular charitable vehicle that can be established with a community foundation, certain financial services providers, or other charitable organizations. It's easy to create and cost-effective to manage. DAFs make giving simple and efficient while benefitting both the donor and the organization(s) they are passionate about.

- **IRA (Individual Retirement Account):** Qualified Charitable Distributions (QCDs) may be available to reduce income and aid in charitable contributions.
- **Gifts of Appreciated Stock:** When you donate stock to charity, you'll generally take a tax deduction for the full fair market value. Because you are donating stock, your contribution and tax deduction may instantly increase over 20%. The same benefits apply to mutual funds and bonds.
